

Kindergarten

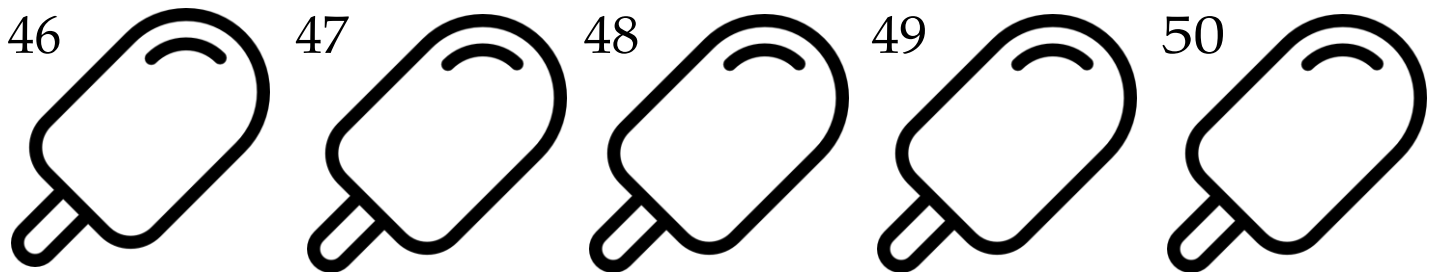

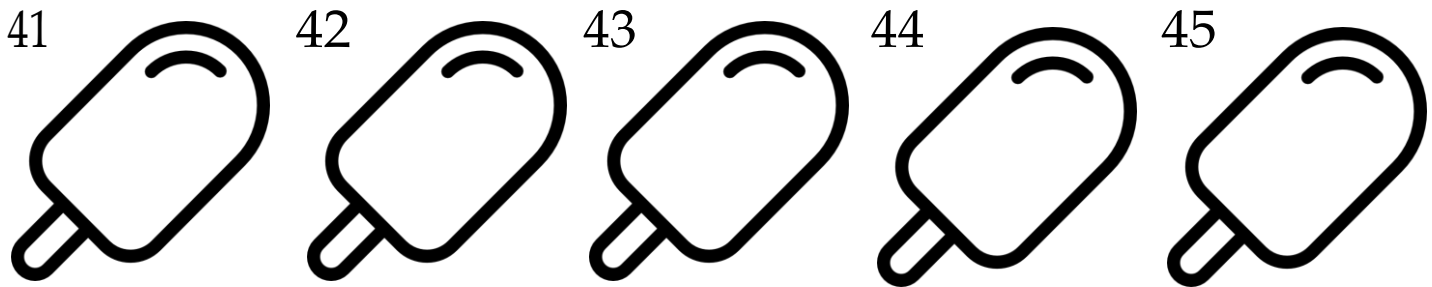

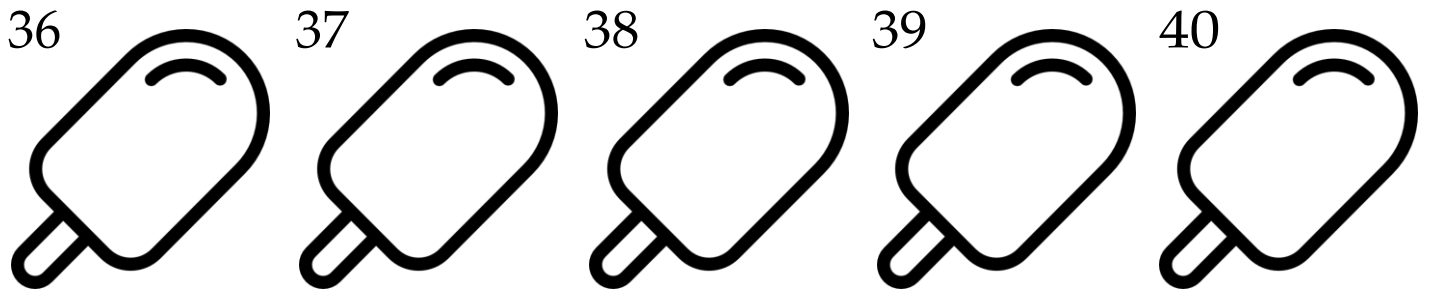

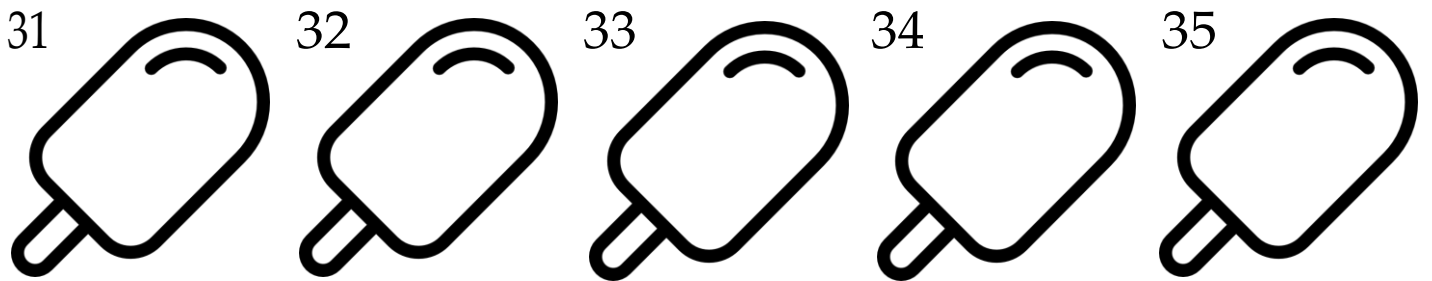

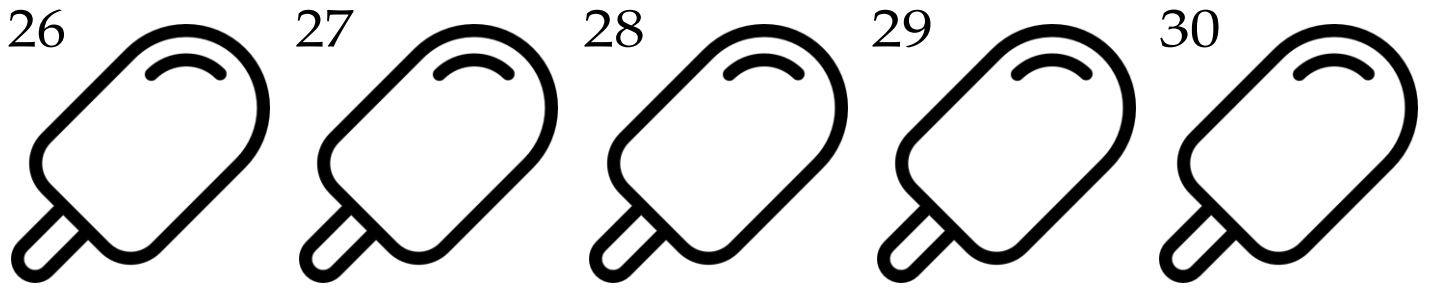

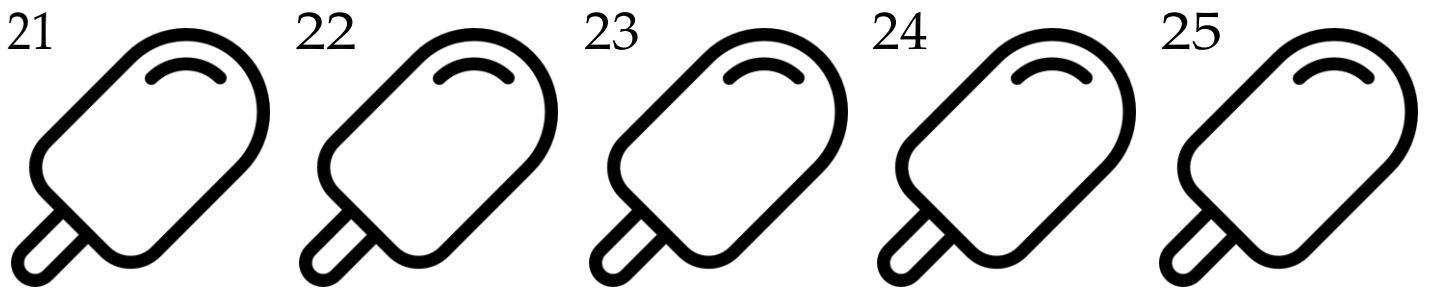

Summer Reading Challenge

Welcome to the Buchanan Reading Challenge! Our reading goal is to have each family read at least 75 books with their child before the 2022-2023 school year. Color in one picture for every book read. Kindergarteners who meet this goal will be invited to a super fun reading celebration in the fall! Please return completed forms to the library at the beginning of the school year.

Read a book. Color in a picture.
